

Cosmetic solutions made simple

For over a decade, Sydney Permanent Make-up Centre has been providing the cosmetically conscious with peace of mind and quality service. In operation since 1992, the centre has developed an exceptional standing as one of the few paramedical clinics dedicated to cosmetic tattooing, permanent hair reduction and post-operative care. Specialising in cosmetic tattooing of eyebrows, eyeliner, lip colour and medical camouflage, their treatments are unique, varied and designed to suit every customer. The highly experienced practitioners and staff, together with advanced technology have earned them a reputation as one of the city's best cosmetic centres. With various unique skin solutions available, ranging from skin rejuvenation through to microdermabrasion for skin imperfections, the team at the centre proudly delivers both effective and sophisticated treatments. Sydney Permanent Make-up Centre has a visiting physician who performs face and lip fillers and vein injections. Their trained staff can also assist clients who have had breast reconstruction due to mastectomies. Also hair reduction specialists, they offer the convenience of unisex professional body waxing and permanent hair removal. With only the best treatments available, Sydney Permanent Make-up Centre has become well-known within the cosmetic industry for their extensive range of body treatments and exceptional post-operative care. Their attention to detail and professionalism ensures no task is overlooked. Not only are the staff specially trained they are dedicated to fulfilling your personal needs, with the surgeons and experienced practitioners working with each individual customer to achieve the best possible results.
